## Other Important Notes for Parents

### **Staying Informed**

We work hard to make the dance experience fun and organized. Keeping you informed is one of our primary goals. Please check your email frequently as this is our main source of communication.

### **Medical Information**

Parents must notify NDA staff regarding children who use an inhaler, require medications or have severe allergies. NDA would also like to be informed of existing medical conditions or learning disabilities. We are excited to work with your children and the more we know about your child, the better the dance experience will be. All information is kept confidential.

Note: NDA will not administer medication (such as Tylenol, Advil, Pepto Bismol) without permission from parents – no matter the age of the child. Please make sure we have current contact information at all times.

### **Illness**

If a dancer complains of not feeling well, vomiting, etc., the parent will be called and the dancer will be sent home immediately. Please do not bring your dancer to class with a contagious illness.

### **Absence**

ALWAYS call NDA to notify us when your dancer will be absent from class. During the times that your child is scheduled for dance class, they are OUR RESPONSIBILITY, and we take that very seriously. If your dancer is absent, and we have not heard from a parent, we will be calling you.

### **Arrival/Departure and Parking Lot Safety**

We encourage dancers to arrive at least 10 minutes early to allow them to prepare for class, use the restroom, etc. When dropping off and picking up your children, please park your car and come in to the studio. Please do not wait in the parking lot or at the curb. This is for the safety of the dancers. Mall traffic can be crazy at times, and mall security has asked us to remind parents not to idle at the curb.

### **Severe Weather/Class Cancellations**

Class cancellations due to severe weather will be announced by 1pm on that day. Notification will also be posted on Facebook and an email will be sent to your listed email address. NDA will only schedule make-up classes if there are more than 2 class cancellations (for the same class day) due to severe weather.
